

Extreme Home Make—Over

Before

Dismantle

During

Completed

One of the ways that In His Steps International helped to Empower The Poor this week was by an *Extreme Home Make-Over!*

The women who received this home is beyond thankful, she cannot even sleep! All she wants to do is to look at her home! This is a woman who was beaten and so mis-treated. Showing the Lords love has brought her so much *Hope*. It is such a Joy to Partner with the Lord and with his people.

Working together to Empower the Poor in Cambodia.
